Discharge Auger	14" Right Hand Auger
Dimensions	Length: 51' 2"
	Width: 11' 10"
	Height: 13' 9"
Weight	Approximately 69,500 Lbs.

The Mighty Giant model 3600 is a production model grinder designed for heavy-duty commercial use. A multi-function remote control system is included to run the 25' long, top-driven, elevator that swings from side to side, for ease of use in grinding into piles, buildings or tucks.

Standard on every Mighty Giant, from the PTO model to the Hydrafork model, is the hydraulic opening tub for easy access to the mill, hammers and screens, eliminating the need to climb in and out of the tub.

FEATURES

- Tub opens hydraulically for servicing and changing screens
- Tub operation is controlled by Plus One governor
- Tub is hydraulically chain-driven with variable speed and reverse
- Elevator drives from the top with rubber lagged pulley
- Hydraulically raise, lower, swing and fold discharge elevator
- Hammers are reversible and have 4 hard-surfaced corners
- Trouble-free 14" high-capacity discharge auger
- Capable of grinding any type of forage or grain
- Highest capacity, most durable grinder available
