Elevator Drive	Top Drive via Hydraulic Motor
Discharge Auger	14" Left Hand Auger
Transport Dimensions	Length: 37' 6" Width: 11' 4" Height: 13'
Weight	Approximately 38,000 Lbs.

The Mighty Giant model 3700 is a heavy duty, commercial grinder designed for the agricultural and wood industries. It features a variable speed tub with a Plus One Controller. All tub and elevator functions are remote controlled for operator convenience. A 25' long, swinging, stacking conveyor for loading trucks, buildings or piles.

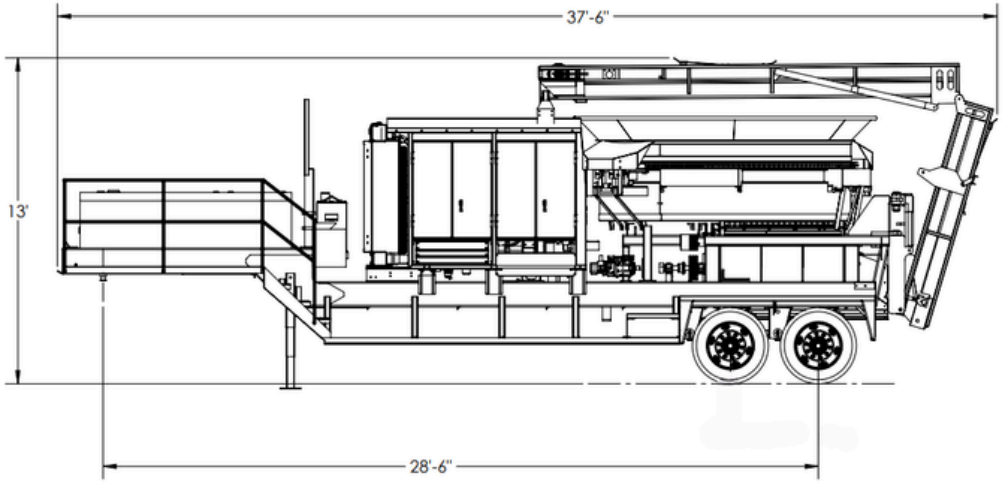

The Mighty Giant comes equipped with either a CAT or John Deere engine, featuring extended engine warranty coverage.

Standard on every Mighty Giant, from the PTO model to the Hydrafork model, is the hydraulic opening tub for easy access to the mill, hammers and screens, eliminating the need to climb in and out of the tub.

FEATURES

- 25K air ride, tandem axle, dual wheel chassis with tube frame
- Tub opens hydraulically for servicing and changing screens
- Tub operation is controlled by a Plus One governor
- Tub is hydraulically chain-driven with variable speed and reverse
- Elevator drives from the top with rubber lagged pulley
- Hydraulically raise & lower discharge elevator
- Trouble-free 14" high-capacity discharge auger
- Multi-function remote control
